

Welcome in the Country Land of Lord Pashupatinath & Lord Buddha at Kathmandu, Nepal

7th International Conference

(Kathmandu Chapter - 2.0)

Global Approaches in Agricultural, Biological, Environment and Life Sciences for Sustainable Future (GABELS - 2024)

Buddha Hall, D.A.V. College Kathmandu, Nepal (June 08-10, 2024)

Free Tour by Bus/Taxi (Kathmandu, Nepal)

Pashupatinath Temple
Kathmandu Durbar Square
Swayambhunath
Buddhist Stupa Circle
Chandragiri hill
Tallest Shiva Statue
Central Zoo of Kathmandu

Nearest Hill & Valley Stations

Pokhara Valley, Nepal
Himalaya Peaks
Sagarmatha National Park
Thamel Street

Global Environment & Climate Issues

Sustainable Environment & Future
Environmental Biotechnology
Global Climate Change & Global Warming
Pollution & National Disasters, Wildfire
Green Energy Resources

Co - Organizers

Global Agricultural, Wildlife & Biotechnological Issues

Artificial Intelligence / Digital Agriculture
Role of Nano-Materials
Global Millets (Shree Anna)
Aquaculture and Veterinary Sciences
Biotechnology, Zoology, Microbiology
Dairy Sciences & Technology
Agri-Business Management & Marketing

Welcome & Greetings

Dear Sir/Madam

Greetings from the Agricultural Technology Development Society (ATDS), Ghaziabad, UP, India, D.A.V. College, Lalitpur, Kathmandu, Nepal, Kathmandu University, Nepal, R&D Cell, Subharti University, Meerut, UP, SWERI, Giza, Egypt, The Neotia University, WB, , Zoological Survey of India, Govt. of India, NCSP Agra-UP, Forest Department, India, CCSU, Meerut, UP, CUHP, HP, SNRM, SPGSAS, CAU, UMIUM, Meghalaya, NGT, Jammu, J&K BSA College, Mathura, UP, BRDS, Agra, UP, India, Publication Partner Journals such as: IJAI, Plant archive, Journal of Env. Bio. It gives us immense pleasure to cordially invite you in 7th International Conference on “Global Approaches in Agricultural, Biological, Environment and Life Sciences for Sustainable Future (GABELS- 2024)” on June, 08-10, 2024 at Buddha Hall, D. A. V. College, Lalitpur, Kathmandu, Nepal. The conference invites scientists, faculty members, teachers, professionals, research scholars, NGO’s, social workers, students, farmers and others who are involved in practices and research areas related to Agricultural, life science and all applied sciences. Delegates may attend the conference without presenting their papers. The conference will be providing a platform to enrich and share the knowledge and expertise in the concern area.

About the 7th International Conference (GABELS - 2024)

The ecofriendly and sustainable agriculture and Environment is the development that meets the needs of the present without compromising the ability of the future generation to meet their own needs. Due to very high growth of population across the world during the twentieth century the economic development process across the world especially in the field of agriculture and industrial sector has taken place in a irrational and haphazard manner without compromising the ill effects of development on our natural resources, large industrial economics of the world has also badly affected the agricultural resources and biodiversity. There is huge pressure of population on limited agriculture resources in the developing countries, all this results in ecological imbalance and threat to the existence of life on earth. Therefore there is a great need of institutional efforts as well as people participation to address the conservation of natural resources for food security and existence of life on earth. The 7th International Conference on “Global Approaches in Agricultural, Biological, Environment and Life Sciences for Sustainable Future (GABELS- 2024)” on June, 08-10, 2024 at Buddha Hall, D. A. V. College, Lalitpur, Kathmandu, Nepal has been designed to focus on various scientific tracks covering major areas of research on agriculture, biological and applied sciences.

Major Themes for Oral / Poster Presentation Technical Session (GABELS - 2024)

Technical Session Theme – 01	Technical Session Theme – 02	Technical Session Theme – 03
Global Trends in Agricultural Sciences & Artificial Intelligence or Digitalization Ag. <ul style="list-style-type: none"> ▪ Artificial Intelligence, Machine and Deep Learning, Cloud, IoT Tools in Next Generation Sustainable Agriculture ▪ Organic and Natural Ecofriendly Farming ▪ Impact of NEP in Agricultural Education ▪ Impact of M.S.P. in Indian Agricultural Farming and Farmers Income & Economy ▪ Role of Nano–Materials, Nano-Sensor, Nano-Pesticides, Nano-Urea, Bio-Sensor for Real-time Crops Assessment ▪ Global Millets (Shree Anna): Value Chain on Millets Production and Processing ▪ Doubling the Farmers Income, Crop Diversification, Genetics & Plant Breeding ▪ Soil Health, Land Resources, Soil Survey and Land Use Planning and Management ▪ Precision Agriculture, Green/Poly/Net/ Shed House Cultivation for Sustainable Agriculture and Hydroponics ▪ Soil and Water Conservation & Irrigation ▪ Robotic, Drone, Digital Agriculture Technology ▪ Production & Management of Sericulture, Bee Keeping, Forestry, Vermicomposting, Mushroom, Poultry, Seed Processing etc. ▪ Integrated Management of Nutrient, Weed, Disorder, Pest- Diseases & Plant Protection ▪ Food Processing and Value Addition ▪ Agri-Business Management & Marketing 	Sustainable Environment, Biodiversity, Life Sciences and Climate Change <ul style="list-style-type: none"> ▪ Natural & Environmental Biotechnology ▪ Biodiversity Conservation, Ecosystem, Ecology & Natural Resources Management ▪ Food, Nutrition & Livelihood Security ▪ Health Policy: One Nation & One Health ▪ Recent Trends in Botany, Biotechnology, Microbiology, Plant Science & Biochemistry ▪ Sustainable Environment, Wildfire, Pollution & National Disasters: Monitoring, Policies, Planning & Management ▪ Global Climate Change & Global Warming: Policy, Planning & Management ▪ Ecofriendly Energy Resources: Renewable Energy, Green Energy, Bio-Fuels, Waste Product Energy & Natural Energy ▪ Molecular, Genome & Synthetic Biology, Bioinformatics, Genetic Engineering, Enzymology, Cell Biology, Bio-Nanotechnology and Green Technology ▪ Evolution & Human Environment Interaction ▪ Biotic and Abiotic Stress Management ▪ Medical, Pharmaceutical & Pharmacology Science and Public Health Care Assessment ▪ Bridging the Digital Divide Biodiversity ▪ IPR Tools : Issues and Current Challenges ▪ Vedic Health Therapy: Ayurveda & Yoga ▪ Mycology, Embryology & Bioclimatology ▪ Ensuring Safety and Quality of Public Health 	Recent Advances in Life Sciences: Fisheries Sciences, Veterinary and Animal Sciences <ul style="list-style-type: none"> ▪ Advancing Sustainability in Aquaculture and Veterinary Sciences: Exploring Cutting-edge Technologies ▪ Practices for Responsible Fish Farming and Animal Health Management ▪ Safe Guarding & Maintain Biodiversity Conservation both Terrestrial and Aquatic Fauna and Flora ▪ Innovations in Seafood Processing, Veterinary Medicine and Quality Assurance to Uphold Standard ▪ Integrated Resource Management for Use of Aquatic Resources or Animal Welfare ▪ Market Trends and Economic Analysis for Livestock and Aquaculture Markets ▪ Cattle, Sheep and Goat Farming: Best Practices in Animal Husbandry, Health Management and Genetic Improvement ▪ Animal Welfare and Ethical Considerations: Discussions on Promoting the well-being of Livestock and Aquatics ▪ Advances in Farming Practices, Genetics, Stock Improvement and Management ▪ Advances in Dairy Sciences & Technology ▪ Advances in Fish Nutrition Research ▪ Recent Advances in Aquaculture ▪ Fish Genetics Resources and Conservation ▪ DNA Fingerprinting Assessment

About The Conference Organizers (GABELS - 2024)

Conference Organizers

**Agricultural Technology Development Society
(ATDS) Ghaziabad, UP, India**
www.agriinventionjournal.com

**D.A.V. College (Tribhuvan Univ.)
Lalitpur, Kathmandu, Nepal**
<https://davcollege.edu.np/>

The main aims/objectives of society are to promote, innovate and disseminate knowledge of agricultural research and development for well-being of mankind. The society has taken initiative to provide a platform to the scientists, policy makers, farmers, students and other stakeholders to discuss various issues relating to agricultural research for development. ATDS society organized 01 national conference on “Natural Resources Management for Sustainable Development (NRMSD-2016) on dated 25 October, 2016 at J. V. College, Baraut, UP, India and 06 International conference on “Advances in Agriculture and Biodiversity Conservation for Sustainable Development (ABCD 2017)” on dated 27-28 October, 2017 at C.C.S. University, Meerut, UP, India, 2nd on “Advances in Agricultural, Biological and Applied Sciences in Sustainable Future (ABAS-2018)” on dated 20-22 October, 2018 at Subharti University, Meerut, UP, India, 3rd on “Global Initiatives in Agricultural and Applied Sciences for Eco Friendly Environment” (GIASE-2019) on dated 16-18 June, 2019 at Tribhuvan University, Kathmandu, Nepal, 4th on “Global Approaches in Natural Resource Management for Climate Smart Agriculture (GNRSA–2020) during Pandemic Era of Covid-19” at Shobhit University, Meerut, UP, India on dated 20-22 February, 2020, 5th on “Advance in Smart Agriculture and Biodiversity Conservation for Sustainable Development (SABCD - 2022) at Jaipur National University, Jaipur, Rajasthan on dated at 04-06 March, 2022 and 6th on “Strategies and Challenges in Agricultural and Life Science for Food Security and Sustainable Environment (SCALFE-2023)” at Himachal Pradesh University, Shimla, HP, India on dated 28-30 April, 2023. ATDS published International Journal of Agricultural Invention (IJAI) is a peer reviewed biannual journal in English language.

D. A. V. College, Kathmandu, Nepal, affiliated to Tribhuvan University, is one of the leading education hubs in Nepal since 2003. The objectives of the college include expanding world views, enhancing global leadership, inspire for innovation and advancing the world D.A.V. hosts several academic practices as everyday academic affairs such as mind mapping, incubation and management lab, national and international conferences, publications, linguistic proficiency programs where mentees can get help about everything from personal connections, comprehending the contemporary business milieu, knowing cultural and ethnic sensitivity to resume critiques and interviewing tips. Moreover, D.A.V.'s collaboration among the international universities such as Jain University, Bangalore, Sharda University, Delhi, FI IB, Delhi give exposure to students in international forum via student and faculty exchange, training, joint research, short term course, and publications. Likewise, the industrial collaboration offers opportunities to the students to transform their classroom knowledge into working atmosphere by means of internship, employment, research funding, joint CSR activities and industrial experience sharing.

About The Conference (GABELS - 2024)

The global eco-friendly agriculture and sustainable environment is the development that meets the needs of the present without compromising the ability of the future generation to meet their own needs. Due to very high growth of population across the world during the twentieth century the economic development process across the world especially in the field of agriculture and industrial sector has taken place in a irrational and haphazard manner without compromising the ill effects of development on our natural resources, large industrial economics of the world has also badly affected the agricultural resources and biodiversity. There is huge pressure of population on limited agriculture resources in the developing countries, all this results in ecological imbalance and threat to the existence of life on earth. Therefore there is a great need of institutional efforts as well as people participation to address the conservation of natural resources for food security and existence of life on earth. The 7th International Conference on "Global Approaches in Agricultural, Biological, Environment and Life Sciences for Sustainable Future (GABELS- 2024)" on June, 08-10, 2024 at Buddha Hall, D. A. V. College, Lalitpur, Kathmandu, Nepal has been designed to focus on various scientific tracks covering major areas of research on agriculture, biological and applied sciences. (agriinventionjournal@gmail.com).

International Conference Session (Buddha Hall, DAV College, Kathmandu, Nepal)

- Conference session will be held on 08 - 09 June 2024 at Buddha Hall, D. A. V. College, Lalitpur, Kathmandu, Nepal for two days as hybrid mode (Offline or Physical / Online or Virtual).
- Inaugural session will be start on date 08/06/2024 at 10.00 am to 12.00 pm and Valedictory session on date 09/06/2024 at 4.00 pm
- Local Tour of Kathmandu, Nepal will be free provide by Conference Organizers by bus/taxi on date 10/06/2024 at 8.00 am to 5.00 pm
- Eminent / Distinguish expert lectures deliver by Keynote speakers and Invited / Guest speakers on date 08/06/2024 to 09/06/2024
- Technical sessions for Oral & Poster Presentations as hybrid mode (Offline or Physical / Online or Virtual) on date 08/06/2024 to 09/06/2024
- Interactive sessions and share the knowledge from relevant experts for professionals, farmers, scholars & students.
- Plenary & concluding session

Call for Abstracts / Book Chapters / Full Length Papers / Research or Review Articles

Abstract / Souvenir Book: Delegates may present their research, theoretical, conceptual, and empirical presentation papers in the International Conference. The abstract of the empirical paper is to be written within 250-300 words and the full length paper should not exceed 5000 words (3-4 pages only). It must mention the objective, hypothesis, method, result and implication. The abstract/full paper should be typed in English, MS Word, Times New Roman, 12 fonts with 1.5 line spacing. Besides invited papers covering key issue, there will be oral and poster presentations as full length selected research/review papers/articles) will be published in Conference Proceeding book with ISBN.

Journal Publishing Knowledge Partners (NAAS Ratings Journal with Conference Special Issue)

- **International Journal of Agricultural Invention (IJAI):** NAAS Sr. No. (1434), Ratings (4.56), ISSN (2456-1797), Open Access & Peer Review
 - **Plant Archives:** International Journal, NAAS Sr. No. (2329) , Ratings (5.59), ISSN (0972-5210), Open Access, Indexing and Peer Review Journal
 - **Journal of Environmental Biology:** NAAS: 6.79, Scopus, Peer Review, UGC approved (Fee after acceptance Rs. 15500/- with 06 pages only)
- Author Guidelines:** Title, Abstract, Keywords, Introduction, Materials and Methods, Results and Discussion, Conclusion, References within the manuscripts references cited as in numeric number (1, 2, 3), font 10 in Cambria in MS word file. Publication Fee for per article with IJAI Journal (Rs. 1800/- One Thousand Eight Hundred Only) and Plant Archives (2500/- Two Thousand Five Hundred Only)
- Edited Book with ISBN:** Edited book will be published by an International reputed publisher as a book chapter in conference proceeding edited book. The book chapter must be original, ethical, with key burning issue, less than 15 % plagiarism, unpublished, English languages, MS Word, Times Roman, 12 Fonts with 1.5 line spacing and with Abstract, Introduction, Tables of content, Figure, Discussion, Conclusion and references. Book Chapters Publication Charges: For Soft book copy fee (500/-) and Hard book fee (1000/-).

Oral & Poster Presentation

For Oral Presentation: Presentation paper should be well prepared in PPT with good tables, figures, diagram and designs. Oral presentation time should be given 5-7 minutes only to all our knowledge contributors and presenters.

For Poster Presentation: 1x1.2 m. size poster should be include with Title, Name, Address, Introduction, Materials and methods, results and conclusion.(Delegates are requested to kindly send the soft copies of their Abstracts and full length paper/articles for publishing with duly filled registration form by mail to: nepalconference2024@yahoo.com or agriinventionjournal@gmail.com

- Note:**
1. No TA & DA will be paid to participants / keynote speaker / chairperson / rapporteur by ATDS Society
 2. No any abstract / book chapter will be published without registration fee in the conference

GABELS – 2024 International Conference Presentation Awards

Best Oral and Poster Presentation Award (3 in each on both mode of way physically and virtually technical session of the conference) will be announced and awarded as position 1st, 2nd and 3rd during the conference valediction ceremony by the chief guest

Global International Conference Awards (ATDS - 2024)

🏆 Lifetime / Outstanding Achievement Award	🏆 Excellence Teaching/ Research / Extension Award	🏆 Global Young or Best Horticulturist/ Forester/ Biologist/ Biotechnologist /
🏆 Scientist / Teacher / Author of the Year Award	🏆 Young Professional / Researcher/Teacher Award	Entomologist Ecologist / Agronomist/
🏆 Fellow Award / Young Scientist Award	🏆 Young Achiever /Environmentalist/Fellow Award	Plant Pathologist Plant Breeder /
🏆 Outstanding Scientist / Teacher/ Achiever Award	🏆 Young/Emerging / Budding Scientist Award	Veterinarian / Zoologist/ Botanist / Soil
🏆 Best Teacher / Academician/ Scientist Award	🏆 Best/Young Women Scientist / Teacher Award	Scientist / Dairy Scientist/ Fisheries
🏆 Best KVK Scientist / Environmentalist Award	🏆 Best M.Sc. Master / Ph.D. Research Thesis Award	Scientist / Extension Worker/ Geologist/
🏆 Global Scientist / Environmentalist Award	🏆 Innovative/ Organic Cultivation Farmer Award	Crop Physiologist Microbiologist /
🏆 Global Best / Young Ag. Economist / Ag. Engineer / Life Science Scientist / Agrometeorologist Award		Environmentalist Award

ATDS Award – 2024 Details & Guidelines

All interested Delegates/ Researchers are request to send before April 20, 2024 on conference email: nepalconference2024@yahoo.com or agriinventionjournal@gmail.com, Age limit should be below 40 years for all Young category awards. **Note:** Lifetime Membership is mandatory for Award (Delegates, Scientist, Academician Rs. 4000/- & Students/ RA/ SRF/ Guest Faculty/ SF Teacher Rs. 3000/-) & for already ATDS Lifetime members award contribution fee should be (Delegates Rs. 3000/- & Students/RA/SRF Rs. 2500/-).

Conference Venue & Accessibility

During June month weather is pleasant and light warm cloth is required. Kathmandu is the capital city of Nepal and also largest metropolis in the Himalayan Hill region. Kathmandu have the nearest tourist places like Pashupati Nath Temple, Himalaya Peaks, Swayambhunath, Patan Durbar Square, Buddhist Stupa Circle, Kathmandu Durbar Square, Patan Museum, Chandragiri hill, Bhaktapur Durbar Square, Hanuman Dhoka, National museum, Tallest Shiva Statue of Asia at Sanga, Shivapuri, etc.

Kathmandu Tourist Places (GABELS - 2024)

PASHUPATINATH TAMPLE

HIMALAYA PEAKS

BUDDHIST STUPA CIRCLE

PATAN DURBAR SQUARE

POKHARA VALLEY

BHAKTAPUR DURBAR SQUARE

TALLEST SHIVA STATUE OF ASIA AT SANGA

CHANDGIRI HILLS & ROPEWAY TROLLY

KATHMANDU DURBAR SQUARE

Accommodation, Important Dates & Conference Fee Account Details

Accommodation will be arranged for the participants in the hotels at Kathmandu, Nepal near the conference venue on prior request as given below during conference days. (We will arrange the comfortable hotels list as you're desired with contact and price details nearest the conference venue)

Accommodation Category	Charges INRs. (Single non-sharing)	Charges INRs. (Double sharing basis)
Dormitory/ Home Stay	1000/-	1500/-
Basic Hotel	1500/-	2000/-
Deluxe Hotel	2000/-	3000/-
Super Deluxe Hotel	4000/-	5000/-

Important Conference Dates

Submission of Abstract: April 20, 2024
Research Paper/Book Chapter: April 20, 2024
Intimation of Acceptance: April 25, 2024

***Note:** Registration fee only covers conference kit, abstract book/souvenir (soft copy as pen drive) participation certificate, refreshment, tea, lunch & free local tour arranged by the organizers. For online Participant hard copies of certificates send by courier/post on correspondence address.

How to Reach Conference Venue & Comfortable Stay in Kathmandu, Nepal

All offline (Physically) participants you will comfortably reach at Kathmandu, Nepal with the following Transportations and Instructions. Distance from Delhi to Kathmandu is 1100 km., Nepal-India Border Line (Black River) length is 1850 Km. and India states connected to Nepal border is UP, Bihar, Uttarakhand, West Bengal, Sikkim.

India – Kathmandu by Flight

The best way to reach Kathmandu is via boarding a flight from India. Tribhuvan International Airport of Kathmandu, located Centre of the city is the busiest and most popular one in the country. It is well-connected with multiple Indian cities like Delhi, Mumbai, Kolkata, Lucknow, Pune, Bangalore, Varanasi and more and covers the distance of 800 - 1000 km. in around 1 hour and 30 minutes via direct flight and 2 hr. 30 min. for indirect flight.

India – Kathmandu International Flights

The best India to Kathmandu flights are mostly operated by Air India, Royal Nepal, Indigo, Vistara etc. Direct Flights from Delhi - Kathmandu (Time- 1 hr. 30 Min, Fare- Rs. 5500-6500/-), Varanasi - Kathmandu (Time- 1 hr. 40 Min, Fare- Rs. 6500-7500/-), Mumbai - Kathmandu (Time- 2 hr. 15 Min, Fare- Rs. 8500-9500/-) Indirect Flight from Bangalore / Ahmedabad/ Patna / Goa / Jaipur / Pune / Kolkata / Chennai / Hyderabad / Lucknow/ Ayodhya / Prayagraj – Delhi - Kathmandu (Time- 2 hr. 30 Min, Fare- Rs. 10500-15500/-)

Nepal – India Border - Kathmandu Domestic Flights

Buddha Air and Yeti Airlines from the Borders of India-Nepal (Nepalganj, Biratnagar, Janakpur, Bhairahawa, Simara, Bhadrapur, Surkhet, Dhangadhi, Tumlingtar – Kathmandu (Time- 30-40 Min, Fare- Rs. 2700-4200/-)

India – Nepal Border by Trains

From the all India cities specially (Anand Vihar, New Delhi – Train No. 15274, 14008, 14016, 14018, 12572 & Siligudi - 13043) by Train to Nearest India–Nepal border railway junction (Raxaul Jn., Barhi Jn., Gorakhpur, Howrah Jn. Etc.) when you reach Nepal – India border to Kathmandu by Bus/taxi (Fare- Rs. 700-1500/-) or Domestic Flight (2700-4200/-)

India – Kathmandu or Nepal Border (For Domestic Flights) by Bus/ Taxi or Own Car

AC Volvo and Local Buses from Delhi (DTC Dr. Bhim Rao Ambedkar Bus Stand) – Kathmandu (Route is Delhi – Agra – Kanpur – Sonauli – Kathmandu, Time- 24 Hr., Fare – 2300/-) from UP (Varanasi, Pilibhit, Bareilly, Agra, Kanpur, Gorakhpur – Kathmandu, Time- 13 Hr., Fare- 1400/-) from Bihar (Motihari, Patna, Darbhanga – Kathmandu, Time- 11hr., Fare- 1300/-) from Uttarakhand (Dehradun, Rudrapur - Kathmandu) Sikkim (Siligudi, Gangtok – Kathmandu).

Instructions for Journey and Comfortable Stay in Kathmandu

All participants must have a Voter ID or Passport (Aadhar Card is not Valid for Journey). Visa is not required to go to Nepal and if you have Voter ID no need for passport. Only Indian currency Rs. 100/- is valid and accepted in Nepal. INR 100/- is equal to NPR 160/-. When you reach Kathmandu, you must buy a Nepali SIM card (NPR 150/-) so that you can immediately make WhatsApp calling using your mobile data and make calls anywhere from Nepali SIM to Kathmandu or India. On reaching the airport or bus stand of Kathmandu, please download an available drive app (in Drive or Pathao) in your mobile so that you can easily reach from one place to another via bike and taxi / car (Local Fare for Bike – NPR 100-150/- & Taxi – NPR 250-450/- anywhere in Kathmandu in around 10-15 km.). All participants can avail comfortable stay nearest D.A.V. College, Lalitpur, Kathmandu according to hotels category and payment basis () from the App Oyo, agoda and make my trip as well as directly.

App for Local Drive in Kathmandu

Note: In Drive is very comfortable to Pathao

India to Kathmandu Flights

Nepal Airlines is very comfortable to other
